Extended Stay Cottages Vernal

Extended Stay Cottages

Extended Stay Cottages is a family owned and operated business run by Joe and Terri Witt. Their goal is to provide you with an affordable, clean and comfortable place for you to stay whenever you're in the Roosevelt, Duchesne, or Vernal, Utah area.

Filling The Extended Stay Need

When Joe first started doing work in the Uintah Basin as a general contractor, he discovered it was a challenge to find lodging for himself and his subcontractors. Not only were the options limited, but the available options were all pricey.

From there, the Witts realized Utah needed more affordable, fully furnished, temporary housing, and Extended Stay Cottages was born. Since then, Joe has worked building the cottages and Terri serves the customers and takes care of the cottages.

The couple plans to keep up with Extended Stay Cottages, and since the beginning, they've aimed to welcome out of town workers and vacationers and provide anyone who needs a place to stay, a clean and comfortable alternative to a stuffy hotel room. These Myton, UT cottages were made to allow visitors to come and go as they please, without having to pay first and last months rent up front.

Extended Stay Cottages Guarantee

If you're looking for a place to stay or a hotel in Vernal, Duchesne or the Roosevelt, UT area, consider staying in a non-traditional hotel.

Some like to refer to us as an "extended stay hotel" when they book our houses, but we prefer being your "home away from home." Our cottages are carefully maintained, spotlessly clean and always convenient to your travels in and around Duchesne, Myton, Vernal and Roosevelt.

Give us a call today for availability and reservations, and feel free to virtually browse our cottages below.

At Extended Stay Cottages, we strive to make sure you have everything you need in order to make your extended stay a smooth and enjoyable experience. Whether you're staying for a week or a month, we've got what you need to feel right at home.
